

Certified Floodplain Manager Program (CFM)

April 19, 2010

Prep and Exam

KAMM is offering the opportunity for you to attend a CFM training prep course and to take the CFM exam in the same day. Be one of over 50 CFMs in Kentucky.

CFM Program

The Association of State Floodplain Managers (ASFPM) has established a national program for professional certification of floodplain managers. The program recognizes continuing education and professional development that enhance the knowledge and performance of local, state, federal and private sector floodplain managers.

The ASFPM CFM Program is directed toward individuals from widely varying occupations, interests, and educational backgrounds who have routine floodplain management duties. This includes representatives from the following groups; community/state/federal officials, the private sector, academia, interest groups, and private citizens.

More Information

For more information, go to ASFPM's website @ www.floods.org and click on Certification Programs.

On the website, you can download the following.
