

KAMM Accepting Abstracts

KAMM is looking for Mitigation Superheroes!

2018 KAMM Conference

September 17, Preconference free day

September 18 - 20, 2018

We invite KAMM friends to take part in this year's annual conference and pre-conference activities by submitting an abstract for the conference program. Has your community implemented a project, plan, or action that you want to showcase? Have you collaborated with the private sector or state partners to identify, manage, and mitigate a hazard? If so, you realize that *Mitigation Matters*, so join us for the 2018 KAMM Conference!

We are seeking abstracts for various session types for our anticipated largest conference ever. If you are a local, regional, or federal official, an agency, a consultant, a KAMM member, or anyone else with an interest in mitigation, codes or standards, stormwater management, green infrastructure, stream restoration, or community revitalization, we invite you to be a part of our conference program.

The year's premier mitigation-related conference at the Commonwealth's premier Lake Barkley State Resort Park will offer a natural setting for everyone to talk mitigation. We heard your conference feedback, so this year we will highlight local mitigation successes that you can use in your community or work. KAMM's membership wants to hear from the champions for mitigation, the superheroes...Mitigation Superheroes. *We want to hear your "how to" and success stories that demonstrate the importance of response, recovery and mitigation in our communities.*

Session Types to benefit beginner, intermediate or advanced audiences

- Workshops (2, 3 or 4 hours)
- Concurrent Sessions (30 or 50 minutes)
- Plenary Sessions

Topics of interest may include:

- "How to"
- Collaborative partnerships
- Green Infrastructure
- Education projects
- Community engagement
- Grants projects
- Engineering successes
- Higher standards
- Mapping and innovation
- Program Development
- Natural functions
- Floodplain management
- Program or project integration
- Technology
- Mitigation techniques & best practices
- Emergency situations

Submit an Abstract

Multiple submissions for different topics are welcomed. Please complete a form for each presentation abstract. **The deadline for abstract submissions is May 4, 2018.** Link to <http://www.kymitigation.org/submit-abstract/>.

Selected presenters will be notified by May 18. In June, we will have a draft agenda posted on KAMM's website.

KAMM Accepting Abstracts

KAMM is looking for Mitigation Superheroes!

KAMM Membership

Joining KAMM has never been easier! KAMM offers three membership levels: Individual (\$25) and Student (\$10); and Agency/Organization (\$250). Membership is based on the calendar year.

Link to [Join KAMM](#) or follow the links in the Index (to the right) to register via your payment method.

2018 KAMM Conference
