KAMM 
Kentucky Association of Mitigation Managers

The Kentucky Association of Mitigation Managers (KAMM) was formed in order to promote hazard mitigation and management in Kentucky. Our members represent local floodplain coordinators, planning and zoning officials, engineers, surveyors, GIS specialists, hydrologists, public safety and emergency managers.

www.kymitigation.org

PURPOSE OF KAMM

- To provide a forum for floodplain coordinators, emergency and mitigation managers, engineers, code enforcement officials and surveyors;
- To gain knowledge and network on issues pertinent to floodplain, stormwater, mitigation, and emergency management;
- To promote public awareness of floodplain, mitigation, stormwater and emergency management;
- To promote the professional status of floodplain, stormwater, mitigation, and emergency management and to secure all benefits resulting there from;
- Enhance cooperation and to exchange information among various related private and non-profit organizations; individuals; and local, state and federal agencies;
- To inform individuals concerned with floodplain, stormwater, mitigation and emergency management through educational and professional seminars and to provide a method for dissemination of information;
- To inform concerned individuals of pending floodplain, stormwater, mitigation and emergency management legislation and other hazard related matters;
- To study and support legislation pertinent and necessary to the effective implementation of floodplain, stormwater and emergency management and mitigation regulations.

HAZARDS MITIGATED

*Dam Failure, Drought, Earthquake,
 Extreme Heat, Flood, Hail, Karst/
 Sinkhole, Mine Subsidence, Landslide,
 Severe Storm, Severe Winter Storm,
 Tornado, Wildfire and several Man-
 Made Hazards*

THINGS YOU SHOULD KNOW

- KAMM sponsors an annual conference to promote mitigation awareness and as a forum for local, state, and federal officials to educate the public in mitigation applications. KAMM is a Chapter Member of the Association of State Floodplain Managers (ASFPM).
- As a Chapter Member of ASFPM, KAMM provides an opportunity to take Certified Floodplain Manager training during its conference. Since its creation KAMM has been instrumental in increasing Kentucky's Certified Floodplain Managers (CFMs) from seven in 2004 to over fifty currently .
- KAMM offers Corporate, Agency, Individual, and Student memberships. Please visit the KAMM website for details on annual dues and the four regions of KAMM; including yours.

HOW TO JOIN KAMM

If you are interested in becoming a KAMM member but can't make it to the Annual Conference, membership applications are available at : www.kymitigation.org
