Certified Floodplain Manager (CFM) Exam

September 17, 2018

9:00 am - Noon (CT)

Lake Barkley State Resort Park

CFM Exam **Abigail Rains, CFM Proctor**

The Association of State Floodplain Managers (ASFPM) has established a national program for professional certification of floodplain managers. The program recognizes continuing education and professional development that enhance the knowledge and performance of local, state, federal and private sector floodplain managers.

The ASFPM CFM Program is directed toward individuals from widely varying occupations, interests, and educational backgrounds who have routine floodplain management duties. This includes representatives from the following groups: community/state/federal officials, the private sector, academia, interest groups, and private citizens.
