MEMORANDUM OF AGREEMENT (MOA)
KENTUCKY ASSOCIATION OF MITIGATION MANAGERS (KAMM) AND
KENTUCKY ASSOCIATION of MAPPING PROFESSIONALS (KAMP)

Agreement, entered into this 28th day of January 2016 between KAMM and KAMP

Whereas KAMM and KAMP are dedicated to advancing risk management and communication, including the use of geospatial technology; and

Whereas The organizational missions of KAMM and KAMP are complementary with respect to promoting technical competency and professionalism of its members; and

Whereas Both KAMM and KAMP desire to work together to accomplish their common objectives; and

Whereas KAMP’s mission is to foster the understanding, improvement, and sustainment of the professional geospatial community and KAMM’s mission is to promote public awareness, enhance cooperation, and information exchange regarding natural hazards risk and mitigation:

Therefore Be It Resolved:
That KAMM and KAMP, as of this date, agree to work together on a best efforts basis for the purpose of seeking opportunities of cooperation for professional development that will support the mission of both organizations.

Signed,

Carey Johnson, Chair
Kentucky Association of Mitigation Managers

Lance Morris, President
Kentucky Association of Mapping Professionals
