MEMORANDUM OF AGREEMENT (MOA)

KENTUCKY STORMWATER ASSOCIATION (KSA) AND
KENTUCKY ASSOCIATION OF MITIGATION MANAGERS (KAMM)

Agreement, entered into this 4th day of June, 2018 between KSA and KAMM

Whereas KSA and KAMM are dedicated to advancing compliance understanding and program management, including community engagement; and

Whereas The organizational missions of KSA and KAMM are complementary with respect to promoting technical competency and professionalism of their members; and

Whereas Both KSA and KAMM desire to work together to accomplish their common objectives; and

Whereas KSA’s mission is to support collaboration, training and implementation with respect to stormwater permitting and solutions to improve the quality of Kentucky’s waterways, and KAMM’s mission is to promote public awareness, enhance cooperation, and information exchange regarding natural hazards risk and mitigation:

Therefore Be It Resolved:

That KSA and KAMM, as of this date, agree to work together on a best efforts basis for the purpose of seeking opportunities of cooperation for professional development that will support the mission of both organizations.

Signed,

Dave Herndon, President
Kentucky Stormwater Association

Carey Johnson, Chair
Kentucky Association of Mitigation Managers
