2. Going Virtual 2020 Regional Training Recap

- A few attended Alex's webinar; positive feedback
- Easier to take notes
- Missing meeting with people one on one
- Maybe have an Agency meet and greet

3. Region II Priorities

- Training Topics
 - Redevelopment/HUD
 - Metro Safe or Call Center Tour
 - Energy Resilience
 - BRIC projects – mainly examples that build upon Esther’s presentation (MSD present)
 - Climate change adaptation
 - Joe’s NOAA Atlas update
 - Denver company doing this (Jimmy Stahl is contact)
 - Grant funding through Silver Jackets for local Atlas updates (Brandon Brummett)
- Spring 2021 Regional Training Location options
 - Something inexpensive
- Creative mitigation and success stories from RII
 - JP’s Emergency
 - Others?

4. KAMM & COVID How has COVID affected your ability to respond? How might KAMM help?

- What has been instrumental
 - People are easier to get a hold of
 - Maybe loss of synergy. Have to have deliberate communication
 - MSD sends out a monthly questionnaire to check in on employees

5. Ways to stay plugged in with KAMM Committees

- Newsletter
- Social Media

6. Open Discussion

- Next conference ideas
 - Joe Unplugged by tickets
 - Live happy hour
 - Live polls

- Opportunities to communicate – leave chatroom open or have times slots to speak with FEMA, communities, etc.
- Record and make public for those who couldn't attend
