

Purchasing Under a FEMA Award Training

The Federal Emergency Management Agency (FEMA) provides financial assistance to state, local, tribal and territorial governments, non-profit organizations, institutions of higher education, and other non-Federal entities. All FEMA grant programs are subject to the Federal procurement standards found at 2 C.F.R. §§ 200.317-327 (effective November 12, 2020).

This **one-hour training** delivers guidance to FEMA award recipients and sub-recipients on the Federal procurement rules applicable when purchasing under a FEMA award and discusses recent changes and additions to those rules. This training also points out the most frequent findings of procurement noncompliance as reported by the OIG and provides available tools and resources to help avoid these mistakes.

Target Audience

This training is appropriate for FEMA employees and FEMA award recipients and subrecipients, which include state, territorial, tribal and local government personnel, nonprofit organization staff, eligible private entities, and other non-Federal entities.

Topics Include

- Federal procurement rules for states and non-state entities
- Full and open competition
- Sole sourcing
- Time-and-materials contract types
- Contract provisions
- Contractor responsibility determination
- Documentation requirements
- Tools and resources for procurement under grants

Delivery Format

Online training through Adobe Connect. If you have never used this platform, [test your connection in advance here](#).

Training dates and access information are provided below in the Training Schedule.
