

ANNOUNCING

KAMM CALL FOR ABSTRACTS

2022 KAMM CONFERENCE
PRESTONSBURG
MOUNTAIN ARTS CENTER

We invite KAMM friends to take part in our annual conference and preconference activities by submitting an abstract for the 2022 conference program.

We are counting upon you, our mitigation professionals, to provide presentations and workshops that showcase your mitigation knowledge, success stories and expertise!

If you are a local, regional, or federal official, an agency, a consultant, a KAMM member, KAMM Sponsor or anyone else with an interest in mitigation, we invite you to be a part of our conference program.

Has your community implemented a project, plan, or mitigation action that you want to showcase? KAMM promotes the Mitigation Matters concept. We invite you to submit abstracts for the following session types:

BEGINNER, INTERMEDIATE, OR ADVANCED

- Workshops (2, 3 or 4 hours)
- Concurrent Sessions (30 or 50 minutes)

SUBMIT AN ABSTRACT

Multiple submissions for different topics are welcomed. Please complete an abstract form for each presentation abstract.

The deadline for submissions is June 10, 2022.

Link to <https://www.kymitigation.org/2022-kamm-conference-call-for-abstracts/>

Selected presenters will be notified by **June 24**. The draft conference agenda will be sent to you for final review before we post on KAMM's website. We will ask for your presentation. Conference registration will open in early July.

Presenters are required to register for the conference.
