Are you prepared for extreme weather and disasters?

A UofL & UK research team is working on a **Disaster Preparedness** research study to learn more about how prepared Kentuckians are for extreme weather and natural disasters.

The survey should take 15 minutes to complete. Those who complete the survey will be entered in **a drawing for an emergency weather radio or a disaster kit**. Your odds of winning are 1 out of 50. No additional compensation is provided.

You may be eligible to participate in this study if you:

- Reside in the state of Kentucky.
